**Class Action Settlement Provides Refunds For Consumer Purchases Of
SLIMQUICK, NV and Liquid Hoodia Extreme**
Local attorney Dennis Kennedy served as lead counsel for national case

LAS VEGAS, NEV (October 12, 2011) – Las Vegas attorney Dennis Kennedy has settled a national class-action lawsuit on behalf of consumers who purchased the products SLIMQUICK, NV and Liquid Hoodia Extreme. Kennedy served as one of the lead counsel on the case, which alleged the products did not contain the ingredients they were advertised to contain.

“If you purchased any of these products between January 1 of 2003 and August 5 of this year, you are entitled to a refund of \$14 for one bottle or \$28 for two or more bottles purchased,” said Kennedy. “You do not have to provide a proof of purchase. Just download the form from my website or the Wellnx settlement website and submit it online or mail it in.” Kennedy’s website address is www.baileykennedy.com and the settlement website is www.wellnxusasettlement.com.

Kennedy is encouraging consumers to fill out their forms as soon as possible, as the **deadline to submit online or mailed claims for reimbursement is October 24**. Mailed claim forms must be postmarked by the deadline date.

Kennedy stated that hundreds of millions of bottles of SLIMQUICK, NV and Liquid Hoodia Extreme were sold nationally, with SLIMQUICK the largest selling item. They were sold over the counter with no prescription needed.

“You are not required to provide a receipt for your purchases, but do have to verify you purchased one of the three products,” said Kennedy. “The form is easy to fill out and you can submit it online or by mail.”
