## **Dennis L. Kennedy Listed in “Best Lawyers of America” for 2014**

LAS VEGAS, NEV (November 1, 2013) –Best Lawyers has listed firm partner Dennis L. Kennedy of Bailey Kennedy among its *Best Lawyers In America* for 2014.

Shareholder Dennis Kennedy was selected among the *Best Lawyers in America* for 2014, in Appellate Practice, Bet-The-Company Litigation, Commercial Litigation, Ethics and Professional Responsibility Law and Healthcare Law. He has been listed with Best Lawyers since 1991 and in 2012 was named Best Lawyers’ “Lawyer of the Year” for Las Vegas Healthcare Law.

Kennedy is known as one of Nevada’s top commercial litigators and has represented many of the country's leading drug, food, health care, insurance, tobacco, hotel-casino, and other companies in both the enforcement and defense of their rights. His legal practice emphasizes legal ethics in addition to complex commercial litigation, class-action lawsuits, hospital and healthcare law and anti-trust law. He is a former adjunct professor at the William S. Boyd School of Law and co-editor of the Nevada Civil Practice Manual.

Best Lawyers is the oldest and most respected peer-review publication in the legal profession. Since it was first published in 1983, Best Lawyers has become universally regarded as the definitive guide to legal excellence. Because Best Lawyers is based on an exhaustive peer-review survey in which more than 36,000 leading attorneys cast almost 4.4 million votes on the legal abilities of other lawyers in their practice areas, and because lawyers are not required or allowed to pay a fee to be listed, inclusion in Best Lawyers is considered a singular honor. Corporate Counsel magazine has called Best Lawyers “the most respected referral list of attorneys in practice.”

Bailey Kennedy, LLP has been named among the “Best Places to Work” in Las Vegas and Nevada by Las Vegas Business Press, In Business Las Vegas and Nevada Business magazine. The firm focuses on litigation, appellate work, healthcare law and administrative law. Its dynamic team of professionals represents, among others, top healthcare facilities, publicly traded corporations, gaming companies, financial institutions, travel and tourism leaders, public entities, real estate developers, entertainment concerns, and entrepreneurs.
